It was the football season and just a few days before thanksgiving way back in the awful long ago. Great crowds were coming from all corners of the earth to see the great struggle between the Jungle College and the Cheese Grabbers team. Fatty Hippo was very busy running a free-for-all bus line into the polo grounds. He succeeded in getting all the cargo (which were hidden in the folds of his fat) inside the gate with only one ticket, but when he begins to unload the gatekeeper starts a chase but Fatty escapes around the high fences. Nicky Mouse made a big pulling that day selling jumping beans, which were used to jump over the fence with.

At last the big game starts after a little preliminary practice of fast ball throwing on the part of both teams. The mice kick off first, then a great scrimmage follows. Everthing went well and the game seemed very even until in the middle of the great struggle one of the mice is tramped on and the little light of life put out completely. However, the Elephant Hospital Corps, quickly carry the dead member away to the mouse morgue midst tears and wails of the tender hearted lions in the audience.

The mouse team is very brave and are not even slowed up by this misfortune. The game continues the Cats kick off. Big Boy mouse the pride of the team rushes right in and grabs the ball, after a few clever dodges through secret passages he ends up by hiding in a merry elephants trunk. This causes wild excitement and the end of it all seems much like a riot. It is affered as conclusive proof that: "The best laid plans of mice and men oft times go wrong".
